

Music Hub CPD Network

The Music Hub Secondary CPD Network provides a strong and supportive learning community for those involved in delivering music in Nottinghamshire schools. It does this by exploring best practice in music education from a national and local perspective.

Nottinghamshire
Music Hub

PURPOSE

The Music CPD Network provides a strong and supportive learning community for subject leaders and those involved in delivering music in Nottinghamshire schools. It does this by exploring best practice in music education from a national and local perspective. Activities will be tailored to meet the specific learning needs of participants.

WHO IS IT FOR?

There are two separate but related networks for the secondary phase and the primary phase.

KEY ELEMENTS

Development of aspects of effective teaching and learning, such as:

- Innovation and creativity
- Active learning strategies and engagement
- Planning for progression and closing learning gaps
- Meeting the requirements of the National Plan for Music
- Sharing good practice and networking with colleagues

Development of aspects of leadership and management, such as:

- Role of the subject leader
- Leading and supporting other teachers
- Transition between key stages
- Features of effective leadership to close learning gaps for all vulnerable groups
- OFSTED updates
