

The Minster School

Father God,

You made the world with power and love, nothing is too difficult for you.

All around us we can see your handiwork,

Your care for the tiniest details;

Your delight in patterns and colours.

*As we look out of our windows, and step into our gardens remind us of your
faithful love.*

Lord Jesus,

You came to this world with power and sacrificial love, to heal and to rescue.

Hear our prayers for each other today,

For all who are sick;

For those who are struggling with loneliness or fear;

For those worrying about providing for their family:

Inspire us to act with love and kindness, bringing your hope and light to others.

Holy Spirit, God with us,

Comfort and strengthen us in this time of uncertainty.

Whisper to us words of hope;

Draw us close to God our source of love, our provider and our help.

We put our trust in you.

Amen
