

# Summer Half Term - Why Don't You.....

Please send a picture to share to [HomeActivites@minster.notts.sch.uk](mailto:HomeActivites@minster.notts.sch.uk)

These may be posted on Twitter ([@minster\\_school](https://twitter.com/minster_school)) or in the school WORKS newsletter.

Design it!	Make it!	Research it!	Teach it!	Present it!
------------	----------	--------------	-----------	-------------

<p>Use coding to create things from pure imagination. <a href="#">code combat</a></p> 	<p>Make a garden sculpture out of recycled materials.</p> 	<p>Learn a card trick and teach it to a family member</p> 	<p>Design a poster for an item (game, gadget, sweet etc.) in French, German or Spanish</p> 	<p>Listen to David Walliams' <a href="#">Marvellous Music podcast</a></p> 	<p>Make 'Ooblek' a non-Newtonian fluid, by mixing cornflour and a little water. Is it a solid or is it a liquid?</p> 	<p>Perform a song, on your own or with someone in your family for your neighbours.</p> 
<p>Make an assault course in your garden and challenge your family to a game.</p> 	<p>Take a close-up photo of something interesting and show it to someone to see if they can guess what it is.</p> 	<p>Select a line of latitude and follow it around the world exploring the countries and cultures on your journey around the world</p> 	<p>Recreate a music video with your family</p> 	<p>Have a go at origami and show someone else how to make it.</p> 	<p>Design a bag inspired by insects</p> 	<p>Take your family on a virtual tour of the <a href="#">Natural History Museum</a> and have a look at the 'try at home' page.</p> 
<p>Go to the royal opera house and watch an <a href="#">opera</a> or <a href="#">ballet</a></p> 	<p>Design and make an upcycled keyring from any material you have available.</p> 	<p>Design a display for your front window or garden to cheer up passers-by.</p> 	<p>Make a junk instrument, recycling things from around the house</p> 	<p>Video call a relative and share with them what you have been doing and brighten up their day.</p> 	<p>Create a comic strip of your favourite memory.</p> 	<p>Design a flag that represents you, your family, and your favourite things.</p> 
<p>Re-purpose an item that is not used anymore to create a bug house.</p> 	<p>Compose your own theme tune on your computer using <a href="#">Casey rule piano</a></p> 	<p>Make a den inside or outside using a range of different items.</p> 	<p>Search 'how its made' on YouTube, find some everyday objects and watch some videos.</p> 	<p>Design and make a board game that the whole family can play.</p> 	<p>Teach someone in your family how to make your favourite recipe.</p> 	<p>Recreate a piece of art and show it to someone.</p> 
<p>Research the cultures and origins of the players in your favourite sports team</p> 	<p>Carry out some science experiments at home visit the <a href="#">Science museum</a></p> 	<p>Why not create and host a virtual quiz night and see how many questions your family or friends get right?</p> 	<p>Make a landscape or themed garden in a box.</p> 	<p>Use a plastic bottle to make a bird feeder.</p> 	<p>Go to the design museum website and enjoy a free virtual tour, what was your favourite collection?</p> 	<p>Make a jigsaw from cardboard. Draw the image yourself.</p> 

Keep a tally of how many creative challenges you complete!

Why not compete with someone?

Design it!	Make it!	Research it!	Teach it!	Present it!
