

Key Stage 3 Provision from Monday 8th June

As we will be starting setting project work from Tuesday, we are asking all Key Stage 3 students to log into Teams on Monday to check that the setup is working. This will give students time to contact school should there be a problem. If there is an issue they should email ITSupport@minster.notts.sch.uk or contact Mr Wall on a.wall@minster.notts.sch.uk

There will be a help video for students on Show My Homework, which will also be on the Minster School's Youtube channel for parents to watch. On Monday there will be some activities on Teams linked to the theme of teamwork, for students to work on throughout the day.

From next week home learning for year 7, 8 and 9 will be set in the following way:

- Subjects will be setting work on either a Tuesday or a Thursday morning in accordance with the timetable below. These tasks will cover 3 lessons worth of work (approx. 3 hours each) and include optional extension activities.
- All work will be due in the following Monday.
- All work will start with an introductory video which will be streamed in Microsoft Teams at the time highlighted on the timetable. It will then remain on Teams for any students who were unable to watch at the time given.
- After each video students should start to work on the tasks set on Show My Homework.
- A member of staff from the relevant department will be available on Teams for an hour after the work has been set (see timetable) to answer any questions and give support where needed.
- Each subject will ask for at least one piece of work to be submitted and feedback will be given via Show My Homework or email.

** Please note that for the first week some subjects are asking students to complete work set previously. These are marked with a * as legacy projects. These should still be completed, and a member of staff will still be available at the appropriate time to give support, but no new videos will be recorded in this instance.*

Key Stage 3 provision – Summer term 2 Timetable

Year 7		Tues 9 th June	Thurs 11 th June	Tues 16 th June	Thurs 18 th June	Tues 23 rd June	Thurs 25 th June

In addition to this PE will continue to set weekly challenges and we would encourage all students to take daily exercise. Lastly we will be setting D.E.A.R (Drop Everything And Read) time each week to ensure students are continuing to read, this can be fiction, non-fiction, newspapers, blogs etc.
