

# THE WORKS

WISDOM • OPTIMISM • RESILIENCE • KINDNESS • SERVICE

**Mr Parris,  
CEO  
Minster Trust  
for  
Education**

Welcome back to all students, staff and families. I hope you had the opportunity

to enjoy the half term fortnight and that you have started the new term refreshed. The break was important to help us all with our resilience as we face another national lockdown and the restrictions to daily life this brings. However, as you are aware schools remain open and we are working hard to provide the best possible education within the restrictions to which we are required to adhere.

This is also a time of change for The Minster School. I have now moved into my new role as CEO of the Minster Trust for Education, working with the 7 schools in the Trust to make sure the quality of education is as good as it possibly can be. Collaboration is at the core of the Trust which is formed with The Minster School and its family of schools at the heart. The school's new Head is Ben Chaloner and it has been my privilege to work with him as Head of School for the last 2 years – I have no doubt he will continue to make sure Minster continues to flourish, supporting students to great outcomes and an enriching education.

I look forward to working very closely with Ben and the whole Minster team for many years to come and will miss my role as Head – it is a truly unique school made special by its community of learners and teachers. With all best wishes to families, students and staff for a successful and healthy half term.

## NEWS

### REMEMBRANCE DAY

On Wednesday 11<sup>th</sup> November 2020 we marked Armistice Day in school. At 11am our KS3 students were in class and they participated in a virtual act of remembrance that we had pre-recorded. If you would like to see this, follow this link:

<https://www.youtube.com/watch?v=YJKMuxixpgA>

Our KS4 and 5 students were on their break at 11am and they participated in a live act of remembrance, with a bugler playing the Last Post and an Act of Commemoration led by our school chaplain, Rev'd Cathy Porter. Thanks to Tom who played the Last Post for us in what was a moving and reflective Act of Remembrance.

## REMEMBRANCE & PEACE

Ever Living God,  
We remember those whom  
you have gathered  
from the storm of war  
into the peace of your presence;  
may that same peace calm our fears  
bring justice to all peoples  
and establish harmony among the nations  
through Jesus Christ our Lord. Amen

## PRIZE GIVING 2020

We awarded prizes to deserving students in October. The wide-ranging awards recognise the efforts and academic achievements of students with many awards being historic bequests and some linked to the Old Southwellian Society, who continue to support these prizes.

Unfortunately the impact of COVID-19 this year meant it wasn't possible to hold our annual event, celebrating with students, families, staff and community supporters. We were, however, very grateful to Nina Hossain (ITV news) and Bishop Paul Williams for contributing video addresses along with Mr Parris and Mr Chaloner. These reflected on the incredible resilience shown by Minster School students in challenging times, reminding students to be optimistic for an exciting future.

## RESILIENCE

In one of our thought for the week reflections we set a house competition asking for music, poetry art or photography pieces that express what resilience has looked like this year for us.

We have had some inspiring and thought-provoking entries from all houses reflecting the role of the NHS, the nation turning to baking, our emotional struggles and triumphs in these difficult times expressed through new compositions, poems, art and of course cake.

## JUNIOR SCHOOL POPPY COLLAGES

Students in Junior School commemorated Remembrance Day by making poppy collages.

## POST-16 OPEN EVENING

The Minster school was pleased to offer our first ever online Post 16 evening on Wednesday 4th November. We very much hope that our prospective Sixth Formers in Year 11 at school and around Nottinghamshire, got a great experience and all the advice and support they would usually receive at one of our well-attended Post 16 evenings.

Parents and young people not being able to attend in person didn't stop us from having that all important interactive element, where during the event itself questions could be asked and answered straightaway. With a little bit of technical wizardry and us answering via live video, we were able to take questions from people at home and be visible for all to see. Subject leaders had also prepared video shorts prior to the event so everyone could put some faces to names and listen to summaries of the different curriculum experiences.

We had students too with our Head Team giving the student perspective about the life of a Sixth Former here in a recorded video. We wanted to give that personal touch to the evening and are delighted with how it turned out and the feedback we have. There is plenty of information available and it is all still accessible, including the live video answers for anyone who couldn't be involved on the evening itself.

Please visit the school website:

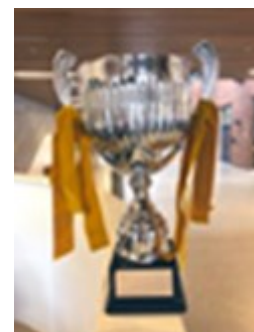

<https://www.minster.notts.sch.uk/sixthformopenevening>

We ask for Sixth Form applications to be submitted by **Friday November 27<sup>th</sup>**.

Applications will still be accepted after this date, but not delaying is advised to get the best chance of securing preferred subject combinations.

## HOUSE WEEK NEWS

At the end of last half term, we celebrated student's achievements with our first virtual House celebration assemblies of the academic year, as well as thanking all our students for their resilience in settling into the new school routines.

Students were nominated by their tutors for the virtue of kindness and received tokens for a home bake from Aspens our caterers. WORKS points certificates are electronic and were sent directly to students and parents with a number of students receiving their Bronze 1 award.

In our first fundraising event our target was to raise £420 for Emmanuel House to provide all the meals for a week, however due to the kindness of our students we raised £680 which will provide hot meals for a week and a half.

At the end of last half term, Rufford and Clumber are in joint first place, Welbeck in third place followed by Thoresby.

## MEMORIES OF PAST TIMES

Working at the Minster School involves being regularly reminded of the very long history of the school. Ken Williams was a pupil at the school when it was the 'Southwell Minster Grammar School' in the 1950s and recently got in touch to kindly offer to send us his 'Company of Service' lapel badge, given to him as his time at the school came to an end.

Ken writes: "From memory it was awarded to me around 1958 but unfortunately I have lost the Citation Card which went with it. It wasn't for any special achievement, such as sparkling success at rugby or cricket, but I remember it was something to do with service to the school..."

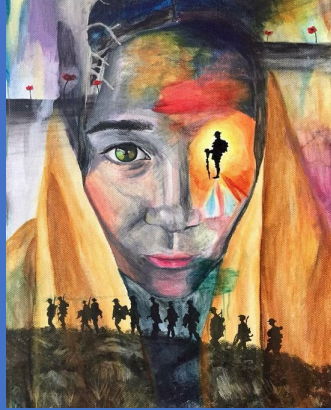

It is a sobering thought that it is 67 years ago this month that I arrived at Southwell as a Boarder, living at Sacrista Prebend. Since then I have lived in 8 different places, flown the equivalent of 12 times round the world, visited 36 countries of which 22 were for work...

I now live in the wilds of West Sussex but it all seems to have happened in the blink of an eye!"

When the pandemic is over Ken is very much looking forward to visiting the school to compare notes with memories of his own time at the school many years ago.

## CHRISTMAS QUIZ FOR UGIVE UGANDA

In a particularly difficult year of changes, restrictions and isolation, the school charity group Ugive Uganda is determined not to let go of the longstanding tradition of our Christmas Quiz.

We are at this time thinking of our partner school in Nyakagyeme and how they are coping with the Covid-19 pandemic: schools in Uganda have been closed since March, disrupting the education of 15 million children.

We want to support them in any way that we can, so we will be holding a Christmas Quiz on **Thursday 10th December at 7pm** to fundraise. The quiz will, of course, be held in the safest manner possible, likely on Zoom or Teams.

Tickets are **£3 per person or £10 for a larger team**. If you would like to join us please contact Mr Wall ([a.wall@minster.notts.sch.uk](mailto:a.wall@minster.notts.sch.uk)) or a member of the group.

We hope you can take part to support our work for Uganda – the quiz is always a lot of fun!

A big thank you to everyone who selected the Minster School for their Co-op charity over the last year. You helped us raise £7,500 funding for our IT department. We're delighted that the Minster Junior School and music department has been selected for the next round of Co-op funding. In order to benefit, we need you to select us here: <https://membership.coop.co.uk/causes/42636>

Feel like having a stab at winning £5000 in time for Christmas? Buy one of these raffle tickets and our school gets 50% of the ticket value while giving you 12 chances to win. It's worth a shot. Buy a dream here: <https://www.bigptaraffle.co.uk/support/the-minster-school-ng25>

Great news, we're now a registered charity with Amazon. Any time someone picks us and then makes an Amazon purchase, our school will benefit by 0.5% of that purchase value. Please link our PTA charity to your Amazon account. When Amazon shopping at a laptop/PC or browser, then please go to <https://smile.amazon.co.uk/ch/516332-0> This enables you to select our school. Thereafter, you'll need to shop through <https://smile.amazon.co.uk>

The MSPTA of the Minster School raises funds to support the students across a range of enrichment activities. Did you know that whenever you buy anything online - from your weekly shop to your annual holiday - you could be raising a free donation for MSPTA? There are nearly 3,000 retailers including Amazon, John Lewis, Aviva, the trainline and Sainsbury's, who will donate a percentage of the amount you spend to MSPTA to say thank you for shopping with them. <https://www.easypundraising.org.uk/causes/msptasouthwell/>
