Friday 1st July 2022

## SUMMER SEASIDE VIBES

As part of their Art lessons, Mrs Britten has been printing T shirts and bags with a seaside theme with the Year 5 and 6 children. The children have produced fantastic designs and worked carefully to print repeated patterns. It has also got us in the mood for the summer holidays.

## PGL INFORMATION EVENT

Thanks you to all those parents who attended the PGL information event. We hope we gave you a flavour of this exciting residential trip. Please remember to update your EV4 form with any medical or dietary information. If you have questions or concerns, please let us know as soon as possible.

## HEAD OF SCHOOL AWARDS

This week's recipients of the head of school awards :

Faith Ward—always being sensible and remaining positive

Betsy North— plays sensibly and joins in everything

### A few reminders from the teachers:

In order to comply with safeguarding rules, the playground gates will be locked at the start of the first session. This is to keep children safe. If you arrive with your child and the gate is locked, please report to reception who will happily allow children in to then walk down to class that way.

If a child's after-school plans change on a particular day (in an emergency), please could you contact reception who will be able to get a message to the teaching staff. During the day, it is not always possible for us to pick up email messages.

## STARS OF THE WEEK

Congratulations to Isaac Askey and Poppy Scott for settling down quickly to tasks and completing some excellent algebra work. Kyle Lam received an award for always settling down to work quickly.

Issi Pieterse received the Lunchtime Award for being very polite and well mannered in the dining hall.

## NOTE FROM MR DRING:

We have been undertaking Relationship and Sex Education in the Junior School this week. The children have been really mature and sensible and found the sessions interesting and informative.
