

# JUNIOR SCHOOL NEWS

Friday 17th June 2022

## A HEALTHY DIET OF DATA

As part of their Maths lessons, Mrs Britten’s class have conducted a survey into our favourite healthy snacks in the Junior School. Out of the five choices given, the children overwhelmingly voted for fruit as their favourite snack. They produced a tally and stick graph to show their results.

Please could you encourage your children to bring their favourite snack to school as part of our drive to eat more healthily. Luckily, summer is the perfect time to enjoy fruit.

## PARENTS’ INFORMATION EVENING

Thanks you to all those parents who attended the transition meetings on Thursday 9th June. It was lovely to meet you all and I really valued your input, feedback and suggestions. If you were unable to attend and want a copy of the PowerPoint, please email me and I can send a copy over. [d.dring@minster.notts.sch.uk](mailto:d.dring@minster.notts.sch.uk)

### A few reminders from the teachers:

Thankfully the weather is starting to improve. With this in mind, could we ensure children come to school with sun safety equipment: a sun hat, sun cream (if necessary) and sunglasses.

Mrs Britten has asked that the children in Years 5 and 6 bring an old T-shirt or a drawstring bag before Tuesday 28th June (anything made from 100% cotton) on which they can print their seaside designs.

## STARS OF THE WEEK

Congratulations to Florence Mondschein and Flic Almond for always submitting their homework in good time and to an excellent standard.

Luna Barker-Runiewicz received the Lunchtime Award for cooperative play and willingness to tidy up

## NOTE FROM MR DRING:

I have continued to do some German with Mrs Britten’s class on Wednesdays and I am impressed with how much the children have learnt.
