YEAR 6 SATs ARE OVER—HOORAY!

A big congratulations to the Year 6 children for their tremendous effort and resilience during the SATs tests. We are all so proud of them. A special thanks to Mr Burns who came back to support the children. I would also like to thank

the parents and carers for all their support during this challenging week. The children had a fantastic time at their after-SATs party with snacks, cakes and lots of fun and games.

MULTIPLICATION TABLES CHECK

The children in year four have worked extremely hard to improve their tables facts recall in recent months. Thank you to all parents who have supported their children with practice. It is very important for them to have rapid recall of their tables, as it is the foundation for many aspects of number work. The last booster class will take place on Monday 23rd May.

The national test for us will take place on Monday 13th June. Please help your child by continuing to practise in the next couple of weeks. Here are two good sites to try for practice:

www.timestableme.co.uk www.timestables.co.uk

HEAD OF SCHOOL AWARDS

This week's recipients of the head of school awards for exemplary behaviour:

Isaac Askey

Poppy Scott

Autumn Johnson

Ewan McIntosh

STARS OF THE WEEK

Congratulations to Jasper Bend and Florence Ball who received Star of the Week awards for their consistent and enthusiastic contributions in lessons.

Felix Desbruslais-Kocsis received the Lunchtime Award for cooperative play with all. What a super attitude!

A NOTE FROM MR DRING:

We have had a great week in the JD after the stress of SATs: Mrs Britten did some Ancient Greek art with Year 5 and 6 and I had a lovely time getting to know the Year 3 and 4 children, teaching them some German. It has been lovely chatting to the parents at the gate too; I hope to meet more of you in person and please contact me if you would like to discuss anything. I will be holding an informal transition meeting after half term for Year 4 parents to discuss transition into Year 5 (dates and time(s) to be confirmed).

IMPORTANT DATES:

Last times tables booster club Monday 23rd May 2022 at 3pm

Queen's Platinum Jubilee 'Street' party Wednesday 25th May 2022

Year 4 to Year 5 transition information evening
